Rules that Apply to the Entire League

- The purpose of the league is to learn the fundamentals of basketball in a safe supportive environment that promotes the general health and well being of the child.
- This league is recreational, not competitive. Coaches, parents and officials must respect this by not keeping score, not keeping standings, and by reinforcing the value of sportsmanship and recreation.
- Use the active practice approach.
- Teach the meaning of sportsmanship and demonstrate it as a coach and a parent.
- No black sole shoes, no food or drinks (besides water) no glass containers. Water is okay.
- Parents must stay calm and quiet on the sidelines. Yelling instructions is not allowed. Coaches and gym stewards are required to control unruly parents, not the officials.
- No full court defense.
- No double-teaming.
- Equal playtime.
- No zone defense-player on player only, use wrist bands for younger players
- Five players on the court per team unless there are not enough.
- Players demonstrating repeated intentional and or careless inappropriate behaviors resulting in fouls or risks to themselves or other players will be asked to sit on the bench for the duration of the game at the sole discretion of the official.
- 3rd through 6th grades home team will be blue and visitors will be white (home team is the second team listed on the schedule).
- Back court pressure is when the defense pressures the offense in the back court. If back court pressure is not allowed per the specific grade's rules, then the defense must allow a player to dribble across the half court line or throw a pass across the half court line to a player standing within 3 feet of the half court line on the front court side.
- **COVID rules must be followed at all times- see below**
